Subject: [DEC-Sulfolane] DEC holds Open House and issues newsletter

You are receiving this email because you are on the Contaminated Sites Program's email list to receive notices regarding sulfolane in groundwater near the North Pole refinery.

Newsletter: The Alaska Department of Environmental Conservation (DEC) today issued a four-page newsletter, "Sulfolane Investigation Update - August 2015." The PDF file is now posted on our North Pole sulfolane website at:

<http://dec.alaska.gov/spar/csp/sites/north-pole-refinery/docs/newsletters/sulfolane-update-8-2015.pdf>

Open House: DEC invites you to an Open House,

Tuesday, August 18th, from 4:30 to 7:00 p.m.

at the North Pole Branch Library, 656 NPHS Blvd.

The event is designed to update the community on the project and answer questions. Staff from the City of North Pole and the Fairbanks North Star Borough will also be there.

To see other newsletter updates, go to:
